

**CONFLICT OF INTEREST CODE
FOR THE
AUTHORITY FOR CALIFORNIA CITIES EXCESS LIABILITY**

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the **Authority For California Cities Excess Liability (Authority)**.

All designated officials and employees must file their statements of economic interests electronically with the **Fair Political Practices Commission** and will be made available for public inspection and reproduction under Government Code Section 81008.
