DECLARATIONS

Policy No: 62785165
New/Renewal of: 2213949

Provided, however, that any reduction or exhaustion of underlying aggregate limits will not apply for the purposes of attachment of this Policy, to the extent such reduction is caused by uncollectibility (in whole or in part) of the aggregate limits of the underlying policy, the existence of a sub-limit of liability in any underlying policy, the cancellation of an underlying policy or any underlying policy containing terms and conditions different from the Followed Policy.

The Insurer shall have the right but not the duty to assume charge of the defense or settlement of any claim or suit against the Insured upon exhaustion of the applicable limits of liability of the underlying policy(ies). If the Insurer has exercised such right, it may withdraw from the defense and tender the defense to the Insured upon exhaustion of the applicable limits of liability under this policy. If the Insurer does not exercise the right to assume charge of such defense or settlement, or if the applicable limits of the underlying policy(ies) are not exhausted, the Insurer shall have the right and shall be given the opportunity to associate effectively with the Insured or the Underlying Insurer or both, in the defense and control of any claim or suit likely to involve this Policy. In such events, the Insured, the Underlying Insurer and the Insurer shall cooperate in the defense of such claim or suit.

The Insured shall not settle any claim or suit for an amount within the Insurer's limit of liability without the Insurer's prior written consent.

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury—in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is US\$ 18,371, and does not include any charges for the portion of losses covered by the United States government under the Act.
