AUTHORITY FOR CALIFORNIA CITIES EXCESS LIABILITY

MEMORANDUM OF EXCESS LIABILITY COVERAGE

The **Authority** is an intergovernmental, risk-sharing, joint powers authority, duly formed pursuant to State of California Government Code Sections 6500 - 6512.

This Memorandum of Excess Liability Coverage is a contract between the **Authority** and a **Member Agency** which sets forth certain duties, responsibilities and obligations of each party. This Memorandum of Excess Liability Coverage is not an insurance policy or document, and is not necessarily subject to the particular rules of law, which apply to an insurance policy or document interpretation.

Throughout this Memorandum, words and phrases in boldface type have special meaning, which are defined in SECTION V. WORDS AND PHRASES WITH SPECIAL MEANING.

I. WHAT THE AUTHORITY PAYS ON MEMBER AGENCY'S BEHALF

A. COVERAGE OF MEMBER AGENCY

The **Authority** will reimburse the **covered party** for the **ultimate net loss** excess of the **retained limit** which the **covered party** shall become legally obligated to pay by reason of liability:

- (1) Imposed by law, or
- (2) Assumed by contract, for **damages** because of:

COVERAGE A - BODILY INJURY LIABILITY
COVERAGE B - PROPERTY DAMAGE LIABILITY
COVERAGE C - PUBLIC OFFICIALS ERRORS AND OMISSIONS LIABILITY
COVERAGE D - PERSONAL INJURY LIABILITY

to which the Memorandum applies, caused by or arising out of an **occurrence**.

B. DEFENSE OF MEMBER AGENCY

The **Authority** shall not be called upon to assume charge of the investigation or defense of any claim. However, in the case of a claim or proceeding which, in the opinion of the **Authority**, may result in an **ultimate net loss** exceeding the **retained limit**, the **Authority** has certain rights as set forth below:

1. On any claim in which, in the opinion of the **Authority**, the **covered party** is acting reasonably in the handling, defense or settlement of a claim, the **Authority** may, at its own expense, associate in or participate with the **covered party** in the negotiation, investigation, defense, appeal or settlement of such claim; however, the **Authority** shall not have

the right to take over or control the negotiation, investigation, defense, appeal or settlement of such claim.

2. On any claim in which, in the opinion of the **Authority**, the **covered party** is acting unreasonably in the handling, defense or settlement of such claim, the **Authority** may, at its own expense, assume control of the negotiation, investigation, defense or appeal of such claim. However, nothing contained in this Section B.2. shall be construed as to allow the **Authority** to settle a claim, or to force a **covered party** to settle a claim, within the **retained limit**.
3. On any claim in which, in the opinion of the **Authority**, it is clear that the claim will result in an **ultimate net loss** exceeding the **retained limit**, the **Authority** may, at its own expense, assume control of the negotiation, investigation, defense, settlement or appeal. Such assumption of control may include requiring **covered party** to tender its **retained limit**, once it has been determined that there exists a reasonable, fair and realistic settlement opportunity in excess of the **retained limit**.
4. If a settlement demand is acceptable to the **Authority** and is not acceptable to the **covered party**, and the **Authority** tenders to the **covered party** an amount equal to the difference between the remainder of the **retained limit** and said settlement demand (or up to the applicable Limit of Coverage, whichever is less), then the **Authority's** agreement to indemnify or to pay on behalf of the **covered party** for the **ultimate net loss** hereunder shall be discharged and terminated, and the **Authority** shall have no further obligations with respect thereto.

The procedure for the **Authority** to invoke sections I.B.2, 3 and 4 above shall be as follows. The Liability Claims Administrators or Program Administrator may submit the issue of assuming control of a claim directly to the Board of Directors, for decision, by presenting a written recommendation to that effect. The staff and **covered party** will have the right to submit written materials and present oral arguments to the Board, subject to reasonable time constraints. The Board may determine to assume control of a claim by a two-thirds (2/3) vote of those present and voting. The affected Board member (i.e. whose member entity is the defendant in the claim) shall be disqualified from the final discussion and vote on the issue, but shall be counted as a “no” vote.

The **covered party** shall fully cooperate with the **Authority** in all matters pertaining to a claim or proceeding. No claim shall be settled for an amount in excess of the **retained limit** without the prior written consent of the **Authority**.

II. AUTHORITY'S LIMIT OF LIABILITY

Regardless of the number of (1) **covered parties** under this Memorandum, (2) persons or organizations who sustain injury or damage, or (3) claims made or suits brought, the **Authority's** liability is limited as follows:

- A. With respect to the Coverage provided, the **Authority's** liability for **Bodily Injury, Property Damage, Public Officials Errors and Omissions**, and **Personal Injury** or any combination thereof arising out of any one **occurrence** shall be limited to the **ultimate net loss**

which is in excess of the amount shown as the **Member Agency's** self-insured retention as specified in the Declarations, or for the **ultimate net loss** which is in excess of any scheduled underlying insurance under this Memorandum; but then only up to the sum set forth in the Declarations as the **Authority's** limit of liability for any one **occurrence**. In the event that a **structured settlement** is utilized in the resolution of a claim, only the present value of the agreed upon payments (the present value "cost" of the **structured settlement**) shall be considered in satisfaction of a **Member Agency's** self-insured retention. The total liability of the **Authority** for all **ultimate net loss** because of all **occurrences** during the period of time to which this Memorandum applies shall not exceed the limit of liability shown in the Declarations as "Aggregate".

- B. The **Authority** acknowledges that the **Member Agency**, from time to time, may directly purchase with its own funds (subject to the policies and procedures of the **Authority**) underlying insurance, or may participate in an underlying **risk retention pool**, with limits of liability less than, equal to, or greater than the amount of the **Member Agency's** retention for certain operations, events, and hazards for which this Memorandum provides coverage, however, these underlying insurance policies do not need to be scheduled.

It is agreed that this Memorandum of Coverage (subject to its exclusions, terms and conditions) shall provide coverage in excess of the per occurrence limits, but not the aggregate limits, of such insurance or **risk retention pool**, subject to the following conditions:

1. If the limits of liability of the underlying policy or **risk retention pool** are less than the **Member Agency's** retention, the **Member Agency** shall bear the risk of the difference. However, if such limits are greater than the **Member Agency's** retention, this Memorandum of Coverage will apply in excess of the greater limit.
2. All **defense costs** paid or payable, or obligations to provide defense or pay **defense costs**, under such underlying or other insurance shall be primary to and not contribute with the **Authority's** obligation to pay **defense costs** as required under this Memorandum.
3. If the **Member Agency** fails to meet its financial obligation for its **retained limit**, it is understood that the coverage provided under this Memorandum of Coverage will not drop down and provide coverage, and the limits of liability provided under this Memorandum of Coverage shall continue to apply as if the **Member Agency** had met its obligation and the limits of liability stated in the declarations are still in effect.
4. If the underlying insurance or **risk retention pool** coverage is canceled, or the limits reduced, then it is understood that the coverage provided under this Memorandum of Coverage will not drop down and provide coverage, and the limits of liability provided under this Memorandum of Coverage shall continue to apply as if the limits of liability stated in the declarations are still in effect.

5. If the limits of liability of such aggregate coverage limits are reduced, for whatever reason, this shall have no effect on the limits of liability afforded by this Memorandum of Coverage; coverage provided under this Memorandum of Coverage will not drop down and provide coverage; and this Memorandum of Coverage shall apply as if the limits of liability stated in the declarations are still in effect.

The terms of this section (section 5) apply equally to any other pool operated by the **Authority**. Should a **Member Agency's** aggregate limits be reduced or exhausted in another **Authority** pool, the coverage provided under this Memorandum of Coverage shall not drop down and provide coverage; and this Memorandum of Coverage shall apply as if the limits of liability stated in the declarations are still in effect.

6. It is understood that the pool represented by this Memorandum of Coverage operates separately and distinctly from any other pools operated by the **Authority**.
7. It is understood that should **Member Agency's** underlying insurance, or coverage provided by any other **Authority** pool, fail to respond, or be financially unable to respond, to its obligations, the risk for this failure or inability to respond shall be borne by the **Member Agency** and not the **Authority**; but only up to the limit of the **Member Agency's** retained per **occurrence** limit (\$1,000,000 per **occurrence**) under this Memorandum of Coverage.

Nothing contained herein shall operate to increase the **Authority's** limit of liability under this Memorandum of Coverage.

III. WHO IS A COVERED PARTY

Each of the following is a **covered party** to the extent set forth below:

- A. The **Member Agency** as set forth in the Declarations, any and all commissions, agencies, districts, authorities, boards (including the governing board) or similar entity coming under the **Member Agency's** direction or control or for which the **Member Agency's** board members sit as the governing body. The purpose of such confidentiality is to protect the interests of parties, particularly in a circumstance in which there is a pending, or the potential of an underlying case.

Arbitration shall be final and binding, and shall apply only in instances in which the **Member Agency** and the **Authority** agree to arbitration. Agreement by the **Authority** to arbitrate shall require a majority vote of the Board.

The Parties in the proceedings shall be the **Authority** and a **Member Agency** (hereinafter referred to in this Section VII as "Party" or "Parties").

A. Requesting arbitration:

Either a **Member Agency** or the **Authority** may request arbitration of disputes under this Section. To proceed with arbitration, the **Member Agency** and the **Authority** must have prior approval from their respective governing bodies. Such arbitration proceeding becomes non-cancelable once an arbitration agreement is executed by both the **Authority** and the **Member Agency**.

Upon receipt of a request for arbitration from a **Member Agency**, the Board decides whether or not the **Authority** shall agree to arbitration, and the time to make such decision shall not extend past the next two regularly scheduled Board meetings after receipt of such request, provided that such request is received no later than 14 days prior to the first of such two Board meetings.

Upon receipt of a request for arbitration from the **Authority**, the **Member Agency** decides whether or not it will agree to arbitration, and the time to make such decision shall not extend past the next two regularly scheduled **Authority** Board meetings after receipt of such request, provided that such request is received no later than 14 days prior to the first of such two **Authority** Board meetings.

B. Arbitration procedures:

If a dispute is submitted to arbitration, each Party shall, within thirty (30) calendar days, select one (1) arbitrator and submit their name in writing to the other Party. Within thirty (30) calendar days after their selection, these two arbitrators shall select a third, independent arbitrator. No arbitrator shall be employed by or in any way affiliated with the **Authority** or with any **covered party**. One of the three arbitrators must be an attorney with knowledge, expertise, and experience in the area of California insurance or memorandum-of-coverage law.

If the two selected arbitrators cannot agree on the selection of the third arbitrator within thirty (30) calendar days, either Party may petition the Contra Costa County Superior Court for the appointment of the third arbitrator pursuant to the provisions of Section 1281.6 of the California Code of Civil Procedure.

The arbitration panel shall choose a Chairperson from the three panelists; however, each arbitrator shall have an equal vote. The arbitration hearing shall commence within one hundred eighty (180) calendar days from the date of the selection of the complete panel.

Each Party shall pay the cost of its selected arbitrator and one-half the cost of the third, independent arbitrator. In addition, each Party shall be responsible for its own cost and expense of arbitration.

Except for notification of appointment, and as otherwise provided for in the California Code of Civil Procedure, there shall be no communication between the Parties and the arbitrator(s) relating to the subject of the arbitration, other than at scheduled hearings.

C. Discovery:

The procedures set forth in California Code of Civil Procedure 1283.05 relating to discovery (including, but not limited to, depositions) shall apply to any arbitration pursuant to this Section. The arbitration panel shall have the authority to designate any discovery under this arbitration as confidential.

D. Testimony under oath:

The testimony of witnesses shall be given under oath, as administered by a qualified individual, or shall be given under a declaration under penalty of perjury.

E. Hearing decision:

The decision of the panel shall be reported in writing. The written decision of the panel shall be given to both Parties within thirty (30) calendar days of the close of the hearing.

F. Certified court reporter:

Either Party electing to utilize a certified court reporter shall make arrangements directly with such certified court reporter and shall notify the other Party of such arrangements in advance of the hearing. Such Party shall pay the cost of recording the hearing if no transcript is ordered by the other Party. If such a transcript is ordered, the cost of the transcript and of recording the hearing shall be divided equally among the Parties ordering copies.

G. Funding of defense and payment of claims pending resolution of dispute:

The commencement of an arbitration process hereunder shall have no effect on the Parties' responsibilities for payment of fees or expenses related to investigation, defense, or litigation of a claim or lawsuit, until such time as a final decision has been rendered by the arbitration panel. The initiation of an arbitration process shall have no effect on the Parties' obligation, rights, or responsibilities under this Memorandum.

H. Effect of arbitration decisions:

All decisions made by the arbitration panel shall be final and binding upon the Parties.

I. Costs of arbitration:

Unless otherwise provided for herein, each Party shall bear its own costs associated with arbitration.

J. Interpretation and application of rules:

With respect to any procedure not herein expressly provided for, the arbitration shall be governed by the California Code of Civil Procedure provisions relating to arbitration (Section 1280 et seq.). The arbitrator(s) shall interpret and apply these rules in so far as they relate to the arbitrator(s)' power and duties. All decisions of the arbitration panel shall be decided by a majority vote.

Reinstatement of Excess Aggregate Limits

Endorsement Number: 2

This Endorsement Forms a part of Memorandum Number: ACC2526ONT71

The Memorandum of Coverage provides pooled liability self-insurance coverage subject to per-**Occurrence** Limits of Liability shown on the Declarations Page as the Limit of Liability of \$9,000,000 in excess of the **Retained Limit** and **aggregate Limit** of \$27,000,000.

ACCEL also purchases coverage in excess of the per-**Occurrence** Limits of Liability. Coverage in excess of the Limit of Liability per **Occurrence** up to \$25,000,000 per **Occurrence** is provided by commercial carriers as indicated in the appropriate Declarations pages.

Certain of those carriers have **aggregate limits** of coverage applicable to all claims against a **Member Agency** within the period of time to which this Memorandum applies. Excess carriers providing coverage in excess of \$25,000,000 limits per **Occurrence** in turn may have provisions that “drop down” to replace the underlying limits, when exhausted, but subject to their own **aggregate limits** as well.

It is the intent of ACCEL to reinstate any **Member Agency’s** per-**Occurrence** limits for the coverage layer in excess of the Limit of Liability per **Occurrence** up to a Limit of Liability of \$25,000,000 per **Occurrence** in the event of erosion of the \$25,000,000 Limit by exhaustion of **aggregate limits** that are not replaced by other excess carriers.

This reinstatement of coverage is in addition to, and not limited by, the per-**Occurrence** and **Aggregate Limits** of Coverage in Coverage Form ACC2526ONT71. Coverage is provided according to the terms, conditions, definitions and exclusions of the excess policy or policies whose limits are being reinstated, which are hereby incorporated by reference, and coverage will apply only if coverage would have been provided by the excess carrier(s) but for the exhaustion of their **aggregate limit(s)**.

AUTHORITY FOR CALIFORNIA CITIES EXCESS LIABILITY

MEMORANDUM OF EXCESS LIABILITY COVERAGE

Various provisions in this Memorandum of Coverage restrict coverage. Read the entire Memorandum of Coverage carefully to determine rights, duties and what is and what is not covered.

Throughout this Memorandum of Coverage, the word **you** refers to the **Member Agency** shown in the Declarations. The word **Authority** refers to ACCEL.

The word **Covered Party** means any person or organization qualifying as such under **SECTION V—WHO IS A COVERED PARTY, COVERED PERSONS OR ENTITIES**. Other words and phrases that appear in **bold face type** have special meaning. Refer to **SECTION VII—DEFINITIONS**.

In consideration of the payment of the premium, if paid, in reliance upon all statements and representations made in the application, including information furnished in connection therewith and the information shown in the Declarations made a part hereof and subject to all of the terms of this Memorandum of Coverage, the **Authority** agrees with the **Member Agency** as follows:

SECTION I - COVERAGE AGREEMENT

The **Authority** will pay on behalf of the **Covered Party** for **ultimate net loss** to which this Memorandum of Coverage applies in excess of the **retained limit** because of:

Coverage A. **BODILY INJURY and PROPERTY DAMAGE**

to which this Memorandum of Coverage applies, caused by an occurrence;

Coverage B. **PERSONAL INJURY**

to which this Memorandum of Coverage applies, caused by an offense;

Coverage C. **PUBLIC OFFICIALS ERRORS AND OMISSIONS LIABILITY**

to which this Memorandum of Coverage applies, caused by a **wrongful act**; or,

After the amount of the **retained limit** has been exhausted by payment of judgments, settlements or **defense costs** or any combination thereof, the **Authority** will reimburse the **Covered Party** for **excess defense costs**. The **Authority's** liability for **excess defense costs** is subject to, and not in addition to, the **Authority's** limit of liability.

The **Authority** shall have the right, but not the duty, to associate itself, at its own cost, with the **Covered Party** in the control, investigation, defense or appeal of any claim or **suit** which, in the opinion of the **Authority**, is or may be covered by the Memorandum of Coverage. The **Covered Party** shall fully cooperate in all matters pertaining to such claim or **suit**.

No claim or **suit** shall be settled for an amount in excess of the **retained limit** without the prior written consent of the **Authority**, but such consent shall not be unreasonably withheld.

SECTION III - RETAINED LIMIT-THE AUTHORITY'S LIMIT OF LIABILITY

Regardless of the number of (1) **Covered Party's** under this Memorandum of Coverage, (2) persons or organizations who sustain injury or **damage**, (3) claims made, or (4) **suits** brought on account of **bodily injury, property damage, personal injury, public officials errors and omissions liability**, or **employment practices liability**, the **Authority's** liability is limited as follows:

- A. With respect to **bodily injury, property damage, personal injury, public officials errors and omissions liability**, and **employment practices liability**, or any combination thereof, the **Authority's** liability shall be only for the **ultimate net loss** in excess of the **retained limit** as specified in the Declarations as the result of any one **occurrence**, offense, or **wrongful act**, and then for an amount not exceeding the **Authority's** limit of liability specified in the Declarations as the result of any one **occurrence**, offense, or **wrongful act**.
- B. For the purpose of determining the limit of the **Authority's** liability, as respects Coverages A and B, all **damages** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one **occurrence** under Coverage A or one offense under Coverage B. for the purpose of determining the limit of the **Authority's** liability, as respects Coverages C and D, all **damages** arising out of a single act, error or omission or a series of related acts, errors or omissions shall be treated as arising from a single **wrongful act**. There is no limit on the number of **occurrences**, offenses, or **wrongful acts** during the Memorandum of Coverage period for which claims may be made.
- C. **Bodily injury, property damage, personal injury, public officials errors and omissions liability** or **employment practices liability** taking place over more than one Memorandum of Coverage period shall be deemed to have taken place during the first Memorandum of Coverage period and only that limit of liability and **retained limit** shall apply.
- D. In the event that a **joint powers authority** is a **Member Agency** under this Memorandum of Coverage, a separate **retained limit** and a separate limit shall apply to each member of the **joint powers authority** that is a **municipality**.
- E. The Limits of Liability of this Memorandum of Coverage apply separately to each consecutive annual period, and to any remaining period of less than twelve (12) months, starting with the beginning of the Memorandum of Coverage period shown on the Declarations unless the Memorandum of Coverage period is extended after issuance for an additional period of less than twelve (12) months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Liability.
- F. The Completed Operations Hazard Aggregate Limit of Liability shown in the Declarations is the most that the **Authority** will pay under Coverage A because of **bodily injury** or **property damage** included in the **completed operations hazard**.

SECTION IV - MEMORANDUM OF COVERAGE PERIOD, TERRITORY

This Memorandum of Coverage applies to **bodily injury, property damage, personal injury, public officials errors and omissions liability**, or **employment practices liability** which occur anywhere in the world during the Memorandum of Coverage period, provided claim is made and **suit** is brought against the **Covered Party** in the United States of America (including its territories or possessions) or Canada.

Bankruptcy or insolvency of the **Covered Party** shall not relieve the **Authority** of any of its obligations hereunder.

H. CLAIMS SERVICING ORGANIZATION

1. **You** shall designate the Retained Limit Claims Servicing Organization shown on the Memorandum of Coverage Declarations to perform the following services for claims or **suits** seeking **damages** against a **Covered Party** to which this Memorandum of Coverage may apply, regardless of the application of any **retained limit**.

However, the failure of a Retained Limit Claims Servicing Organization to meet the time frame outlined in this paragraph shall not relieve the **Authority** of any obligations hereunder.
3. In the event of cancellation, expiration or revision of the servicing contract between **you** and the Retained Limits Claims Servicing Organization, **you** shall notify us within ten (10) days of the effective date of such cancellation, expiration or revision.
4. **You** must notify the **Authority** immediately of any change in the Retained Limit Claims Servicing Organization and we reserve the right to approve any new Claim Administrator. **You** (or **your** Retained Limit Claims Servicing Organization) must **provide us with** loss runs on a quarterly basis.

1. In the event of an **occurrence**, offense, or a **wrongful act** reasonably likely to involve the **Authority** or with respect to which the amount incurred has reached 50 percent or more of the **retained limit**, written notice containing particulars sufficient to identify the **Covered Party** and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the **Covered Party** to the **Authority** as soon as practicable, after the **Member Agency** or any person authorized by the **Member Agency** to give or receive notice of a claim or **suit**, has knowledge of the **occurrence**, offense, or **wrongful act**.
2. If claim is made or **suit** is brought against the **Covered Party** which appears reasonably likely to involve the **Authority**, the **Covered Party** shall forward to the **Authority** every demand, notice, summons or other process received by themselves or their representative, immediately or within a reasonable amount of time after the **Member Agency** or any person authorized by the **Member Agency** to give notice of a claim or **suit** has knowledge of the claim or **suit**.

The **Covered Party** must also give the **Authority** written notice as soon as practicable for any **occurrence**, offense, **wrongful act**, claim or **suit** which the **Covered Party** becomes aware of that includes injury of the following types:

1. Paralysis, paraplegia, or quadriplegia;

The **Covered Party** shall not, except at its own costs, voluntarily make any payment, assume any obligation or incur any expense with respect to any claim or **suit** to which this coverage applies; however, in the event that the amount of **ultimate net loss** becomes certain either through trial court judgment, arbitration award, or agreement among the **Covered Party**, the claimant and the **Authority**, then the **Covered Party** may pay the amount of **ultimate net loss** to the claimant to effect settlement and, upon submission of due proof thereof, the **Authority**, subject to its limit of liability, shall indemnify the **Covered Party** for that part of such payment which is in excess of the **retained limit**, or shall, upon request of the **Covered Party**, timely make such payment to the claimant on behalf of the **Covered Party**.
 4. The **Authority**, at its option, shall have the right at its own expense to investigate any claim or **suit** and/or negotiate the settlement thereof, as it deems expedient, but the **Authority** shall not commit the **Covered Party** to any settlement without the **Covered Party's** consent. Should the claimant or plaintiff, as the case might be, tender a bona-fide, good faith, settlement demand which when added to the incurred **defense costs** is in excess of the **retained limit**, the payment of which would result in the full and final disposition of said claim or **suit**, then if such settlement demand is acceptable to either the **Covered Party**, or the **Authority** (but not both), then with regard to that settlement demand:
 - (a) If such settlement demand is not acceptable to the **Authority** and the **Covered Party** tenders to the **Authority** an amount equal to the **retained limit** less incurred **defense costs**, if any, the **Authority** shall then pay on behalf of the **Covered Party** all sums which the **Covered Party** shall be legally obligated to pay as **damages**, including without limitation, the **retained limit**, plus future investigation, adjustment, appraisal, appeal, post judgment interest and **defense costs**. However, in no event shall the **Authority's** agreement to pay on behalf of the **Covered Party** exceed the limit of liability as stated in the Declarations in addition to such investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs**. Should the full and final disposition of the claim, including judgments, settlements, investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs** be less than the amount tendered by the **Covered Party**, the unused portion of the tendered amount shall be returned to the **Covered Party** by the **Authority**.
 - (b) If such settlement demand is not acceptable to the **Covered Party** and the **Authority** tenders to the **Covered Party** an amount equal to the difference between the **retained limit**, less incurred **defense costs**, and said settlement demand, or the applicable amount specified in the limits of liability section of the Declarations, whichever is less, then the **Authority's** agreement to pay on behalf of the **Covered Party** for the **ultimate net loss** hereunder shall be discharged and terminated and the **Authority** shall have no further obligations with respect thereto.

J. INSPECTION

The **Authority** shall be permitted, but not obligated to, inspect the **Covered Party's** property and operations at any time. Neither the **Authority's** right to make inspections nor the making

thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the **Covered Party** or others, to determine or warrant that such property or operations are safe. The **Authority** may examine the **Covered Party's** books and records at any time during the Memorandum of Coverage period and extensions thereof and within three years after the final termination of this Memorandum of Coverage, as far as they relate to the subject matter of this coverage.

K. MEMBER AGENCY

The **Member Agency** named in the Declarations is authorized to act on behalf of all **Covered Party's** with respect to the giving and receiving of notice of cancellation and receiving any return premium that may become payable under this Memorandum of Coverage. The **Member Agency** named in the Declarations is responsible for the payment of all premiums but the other **Covered Party's** jointly and severally agree to make such premium payments in full if the **Member Agency** fails to pay the amount due within thirty days after the **Authority** gives a written demand for payment to the **Member Agency**.

L. OTHER COVERAGE

If other valid and collectible insurance or group coverage applies to a claim or **suit** that is also covered by this Memorandum of Coverage, this Memorandum of Coverage will apply excess of the other insurance, whether this other insurance is primary, excess, contingent, or issued on any other basis. This provision, however, will not apply if the other insurance is specifically written to be excess of this Memorandum of Coverage.

The **Authority** acknowledges that the **Covered Party** from time to time may purchase underlying insurance with limits of liability less than, equal to, or greater than the amount of the **retained limit** for certain operations, events or hazards for which this Memorandum of Coverage affords excess coverage.

It is agreed that this Memorandum of Coverage (subject to its declarations, schedule, terms, conditions, exclusions, and endorsements that complete this Memorandum of Coverage) shall provide coverage in excess of such underlying insurance subject to the following condition:

If the limits of liability of the underlying Memorandum of Coverage are less than the **retained limit**, the **Covered Party** shall bear the risk of the difference; however, if such limits are greater than the **retained limit**, this Memorandum of Coverage is in excess of the greater limit.

M. SEVERABILITY OF INTERESTS

The term **Covered Party** is used severally and not collectively, but the inclusion herein of more than one **Covered Party** shall not operate to increase the limits of the **Authority's** liability.

N. SUBROGATION

The **Authority** shall be subrogated to the extent of any payment hereunder to all the **Covered Party's** rights of recovery therefore; and the **Covered Party** shall do nothing after loss to prejudice such rights and shall do everything necessary to secure such rights. Any amount so recovered shall be apportioned as follows:

Any person or entity (including the **Covered Party**) having paid an amount in excess of the **retained limit** plus the limit of liability hereunder shall be reimbursed first to the extent of actual payment. The **Authority** shall be reimbursed next to the extent of its actual payment hereunder. If any balance then remains unpaid, it shall be applied to reimburse the **Covered Party**. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries. If there is no recovery in proceedings conducted solely by the **Authority**, it shall bear the expenses thereof.
