IMPORTANT NOTICE:

- 1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called “nonadmitted” or “surplus line” insurers.**
- 2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.**
- 3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.**
- 4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or “surplus line” broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC’s internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.**
- 5. Foreign insurers should be licensed by a state in the United States and you may contact that state’s department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.**
- 6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on**

the NAIC’s International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or “surplus line” broker to obtain more information about that insurer.

7. California maintains a “List of Approved Surplus Line Insurers (LASLI).” Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker’s fee charged for this insurance will be returned to you.

STARSTONE SPECIALTY INSURANCE COMPANY
SPECIAL EXCESS LIABILITY POLICY FOR THE
ALLIANT NATIONAL MUNICIPAL LIABILITY PROGRAM (ANML)

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and what is not covered.

Throughout this policy, the word **you** refers to the **Named Insured** shown in the Declarations. The word **Company** refers to the insurer specified in the Declarations.

The word **insured** means any person or organization qualifying as such under **SECTION V—WHO IS AN INSURED COVERED PERSONS OR ENTITIES**. Other words and phrases that appear in **bold face type** have special meaning. Refer to **SECTION VII—DEFINITIONS**.

In consideration of the payment of the premium, if paid, in reliance upon all statements and representations made in the application, including information furnished in connection therewith and the information shown in the Declarations made a part hereof and subject to all of the terms of this policy, the **Company** agrees with the **Named Insured** as follows:

SECTION I - COVERAGE AGREEMENT

The **Company** will pay on behalf of the **insured** for **ultimate net loss** to which this policy applies in excess of the **retained limit** because of:

- Coverage A. **BODILY INJURY and PROPERTY DAMAGE**
to which this policy applies, caused by an **occurrence**;
- Coverage B. **PERSONAL INJURY**
to which this policy applies, caused by an offense;
- Coverage C. **PUBLIC OFFICIALS ERRORS AND OMISSIONS LIABILITY**
to which this policy applies, caused by a **wrongful act**; or,
- Coverage D. **EMPLOYMENT PRACTICES LIABILITY**
to which this policy applies, caused by a **wrongful act**.

SECTION II - DEFENSE AND SETTLEMENT COSTS

After the amount of the **retained limit** has been exhausted by payment of judgments, settlements or **defense costs** or any combination thereof, the **Company** will reimburse the **insured** for **excess defense costs**. The **Company's** liability for **excess defense costs** is subject to, and not in addition to, the **Company's** limit of liability.

The **Company** shall have the right, but not the duty, to associate itself, at its own cost, with the **insured** in the control, investigation, defense or appeal of any claim or **suit** which, in the opinion of the **Company**, is or may be covered by the policy. The **insured** shall fully cooperate in all matters pertaining to such claim or **suit**.

No claim or **suit** shall be settled for an amount in excess of the **retained limit** without the prior written consent of the **Company**, but such consent shall not be unreasonably withheld.

SECTION III - RETAINED LIMIT—THE COMPANY'S LIMIT OF LIABILITY

Regardless of the number of (1) **insureds** under this policy, (2) persons or organizations who sustain injury or **damage**, (3) claims made, or (4) **suits** brought on account of **bodily injury, property damage, personal injury, public officials errors and omissions liability, or employment practices liability**, the **Company's** liability is limited as follows:

- A. With respect to **bodily injury, property damage, personal injury, public officials errors and omissions liability, and employment practices liability**, or any combination thereof, the **Company's** liability shall be only for the **ultimate net loss** in excess of the **retained limit** as specified in the Declarations as the result of any one **occurrence, offense, or wrongful act**, and then for an amount not exceeding the **Company's** limit of liability specified in the Declarations as the result of any one **occurrence, offense, or wrongful act**.
- B. The Policy Aggregate Limit of Liability, if listed in the Declarations, is the most the **Company** will pay for **ultimate net loss** in excess of the **retained amount** under Coverage A, Coverage B, Coverage C, and/or Coverage D during the policy period regardless of the number of **occurrences, offenses or wrongful acts**.
- C. For the purpose of determining the limit of the **Company's** liability, as respects Coverages A and B, all **damages** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one **occurrence** under Coverage A or one offense under Coverage B for the purpose of determining the limit of the **Company's** liability. As respects Coverages C and D, all **damages** arising out of a single act, error or omission or a series of related acts, errors or omissions shall be treated as arising from a single **wrongful act**. There is no limit on the number of **occurrences, offenses, or wrongful acts** during the policy period for which claims may be made.
- D. **Bodily injury, property damage, personal injury, public officials errors and omissions liability or employment practices liability** taking place over more than one policy period shall be deemed to have taken place during the first policy period and only that limit of insurance and **retained limit** shall apply.
- E. In the event that a **joint powers authority** is a **Named Insured** under this policy, a separate **retained limit** and a separate limit shall apply to each member of the **joint powers authority** that is a **municipality**.
- F. The Limits of Insurance of this policy apply separately to each consecutive annual period, and to any remaining period of less than twelve (12) months, starting with the beginning of the policy period shown on the Declarations unless the policy period is extended after issuance for an additional period of less than twelve (12) months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.
- G. The Completed Operations Hazard Aggregate Limit of Liability shown in the Declarations is the most that the **Company** will pay under Coverage A because of **bodily injury or property damage** included in the **completed operations hazard**.

SECTION IV - POLICY PERIOD, TERRITORY

This policy applies to **bodily injury, property damage, personal injury, public officials errors and omissions liability, or employment practices liability** which occur anywhere in the world during the policy period, provided claim is made and **suit** is brought against the **insured** in the United States of America (including its territories or possessions) or Canada.

SECTION V - WHO IS AN INSURED. COVERED PERSONS OR ENTITIES

The following are **insureds** under this policy:

- A. The **Named Insured**;
- B. Those individuals, including volunteers, who were or are now elected or appointed officials of the **Named Insured**, whether or not compensated, including members of the **Named Insured's** governing body or any other committees, boards, commissions or special districts of the **Named Insured**, while acting in course and scope of employment for or on behalf of the **Named Insured**;
- C. All special districts **governed directly** by the **Named Insured's** governing board and other districts or agencies but only if such special district or other district or agency is listed on the declarations page of the policy;
- D. Past or present employees or volunteers of the **Named Insured** or another entity that is an **insured**, whether or not compensated, while acting under the direct supervision or control for or on behalf of the **Named Insured** or any other entity that is an **insured**;
- E. Independent contractors and/or persons working on retainer while acting under the direct supervision or control for or on behalf of the **Named Insured** or other covered entity;
- F. Any legally authorized **joint powers authority** representing any **Named Insured**. The following are also **insureds**, with respects to such **joint powers authority**:
 - (a) The interest of municipal agencies participating as member agencies in the **joint powers authority** and any and all districts, authorities, committees, trustees, boards, commissions, or similar entity subject to the direction or control of such agencies or for which the board members act as governing body. A member agency includes any department or constituent agency of the member agency; and
 - (b) Any individual who was previously or is presently elected or appointed as an official of a member agency in the **joint powers authority**, but only with respect to their duties as an official of the member agency, including acting on boards at the direction of the agency; or
 - (c) Any volunteer of the member agency only while performing duties related to the conduct of the member agencies or any employee of the member agencies within the scope of his or her employment or while performing duties related to the conduct of the member agencies.
- G. Any person designated in Paragraphs A through F:
 - (a) While acting within the scope of his/her duties with respect to the use of an **auto** not owned by the **Named Insured**, while being used in the business of the **Named Insured**, and then only excess over any other insurance specifically insuring such **auto**.
 - (b) While using any owned **auto** or **hired auto** and any person legally responsible for the use of the **auto** with the permission of the **Named Insured**. With respect to **hired auto**, this insurance will be excess over any other insurance specifically insuring such **hired auto**.

The coverage extended by this paragraph G. shall not apply to:

- 1. Any person operating an **auto** while working in a business that sells, services, repairs, delivers, test, parks, or stores **autos** unless they are employees of the **Named Insured** acting for it or on its behalf; or

2. The owner or lessor of any **hired auto**, other than the **insured**, or any agent or employee of such owner or lessor. This exception does not apply if the owner or lessor is an **insured** designated in paragraphs A. through F., above.

SECTION VI - EXCLUSIONS

As respects **ultimate net loss**, this policy does not apply, in whole or in part to:

A. AIRCRAFT

To **bodily injury** and **property damage** arising out of the ownership, maintenance, loading or unloading, use or operation of any:

1. **Aircraft**;
2. Airfields;
3. Runways;
4. Hangars; or
5. Buildings or other properties in connection with aviation activities.

This exclusion shall not apply, however, (1) to liability arising out of the ownership, operation, rental, or loan of vehicles licensed for highway use while being operated away from the premises of any airfield owned or operated by the **insured**; or (2) to those areas open to the public for the purpose of entering, leaving, or using the airport facilities (including parking lots and garages).

B. ASBESTOS

To any liability for past, present, or future claims or **suits** arising in whole or in part, either directly or indirectly, out of the mining, manufacture, distribution, sale, resale, rebranding, installation, repair, removal, encapsulation, abatement, replacement or handling of, or exposure to, asbestos or products containing asbestos, whether the asbestos is or was at any time airborne as a fiber or particle, contained in a product, carried on clothing, inhaled, transmitted in any fashion, or found in any form whatsoever.

C. BIDS

To liability of any **insured** arising out of estimates of probable costs or cost estimates being exceeded or for faulty preparation of bid specifications or plans or failure or refusal to award contracts in accordance with statute or ordinance which under law must be submitted for bids.

D. EMPLOYERS LIABILITY AND FELLOW EMPLOYEE

To **bodily injury** to any employee of any **insured** arising out of and in the course of his or her employment by such **insured**; or

- (2) the spouse, child, parent, brother, or sister of that employee as a consequence of (1); or
- (3) to any fellow employee of any **insured** arising out of the fellow employee's employment. However, this exclusion does not apply to **employment practices liability** or liability assumed by the **insured** under any written contract.

E. CONTRACTUAL LIABILITY

As respects liability assumed by the **insured** under any contract:

1. To any claim or **suit** for breach of contract;
2. To liability assumed by an **insured** in a contract that is entered into subsequent to the commencement of **bodily injury, property damage**, offense, or **wrongful act**.
3. To any claim, judgment or agreement from any arbitration proceeding wherein the **Company** is not entitled to exercise with the **insured**, the **insured's** rights in the choice of arbitrators, and in the conduct of such proceedings;
4. To any obligation for the rendering or failure to render professional services for the **insured**, if the indemnitee of the **insured** is an architect, engineer or surveyor, arising out of:
 - (a) The preparation or approval of contracts, maps, plans, drawings, opinions, reports, tests, surveys, change orders, designs or specifications; or
 - (b) The giving or the failure to give directions or instructions by the indemnitee, the indemnitee's agents or employees, provided such giving or failure to give directions or instructions is the primary cause of **bodily injury** or **property damage**.

However, this exclusion does not apply to liability for **damages**:

- (1) that the Insured would have in the absence of the contract or agreement; or
- (2) assumed in a contract or agreement that is an **insured contract**, provided the **damage** occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an **insured contract**, reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of **damages** provided:
 - (a) liability to such party for, or for the cost of, that party's defense has also been assumed in the same **insured contract**; and
 - (b) such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

F. UNDER COVERAGE A

To **personal injury, public officials error and omissions liability**, and **employment practices liability**.

Nothing contained in this exclusion shall limit the **insured's** coverage, if applicable, under Coverages B, C, or D of this policy.

To liability, directly or indirectly, arising out of or in connection with the principles of eminent domain, condemnation proceedings or inverse condemnation, by whatever name called, whether grounded in federal or state law, regardless of whether such claims are made directly against the **insured** or by virtue of any agreement entered into by or on behalf of the **insured**.

Nothing contained in this exclusion shall limit the insured's coverage, if applicable, under Coverage A. Bodily Injury and Property Damage.

L. UNDER COVERAGES C & D ERISA

1. To liability imposed upon an **insured** (or which is imputed to an **insured**) under the Employment Retirement Income Security Act of 1974, Fair Labor Standards Act, the Worker Adjustment and Retraining Notification Act, the Consolidated Omnibus Budget Reconciliation Act of 1985, or any rules or regulations promulgated under these acts or any similar provisions of any similar federal state or local law or regulation including but not limited to benefits payable under any **employee benefit program** (whether the plan is voluntarily established by the **insured** or mandated by statute);
2. The **insured's** activities in any fiduciary capacity listed above.

M. EXCLUDED ENTITIES AND OPERATIONS

2. Service or treatment related to physical or mental health or of a professional nature;
3. Furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances if the injury occurs after the **insured** has relinquished possession thereof to others;
4. Any cosmetic or tonsorial service or treatment.

This exclusion shall not apply, however, to any liability arising out of:

1. **Ambulance operations;**
2. Occupational physical examinations and services of nurses, paramedics, emergency medical technicians, speech therapists, speech pathologists, nutritionists, psychologists, audiologists, or physical therapists, if those operations, examinations or services are provided by the **insured's** employees within the scope of their employment by the **insured** and are not provided in any hospital or established health care facility;
3. **Employment practices liability;**
4. First aid to any person;
5. Any nursing services clinic that does not perform invasive surgery of any kind; or
6. Operations performed by coroners.

N. FAILURE TO SUPPLY

To **bodily injury** or **property damage** arising out of the failure to supply or provide an adequate supply of gas, steam, water or electricity. This exclusion does not apply if:

Such failure arises out of an **occurrence**; and

The combined capacity of the **insured's** installed production facilities and contractual supply arrangements is equal to or greater than one hundred and ten percent (110%) of the electricity, steam and/or gas demand or one hundred percent (100%) of the water demand, whichever demand is applicable to the **insured's** electric, gas, steam, or water system.

O. NON-COMPENSATORY AMOUNTS AND/OR DAMAGES, including but not limited to:

Fines, taxes imposed by law, penalties, sanctions, punitive or exemplary **damages**, the multiplied portion of any award, injunctive relief or costs to comply with injunctive relief, restitution, equitable relief or declaratory relief, writs of mandate or any other form of relief other than the payment of **damages**.

P. NUCLEAR

1. To any liability arising out of the hazardous properties of **nuclear material**; or
2. To any liability for any **ultimate net loss**, cost or expense arising out of nuclear reaction, nuclear radiation or radioactive contamination or to any related act or condition.

Q. POLLUTION

1. To **ultimate net loss** arising out of the actual or threatened discharge, dispersal, seepage, migration, release or escape of **pollutants** anywhere in the world;
2. To **ultimate net loss** arising out of any governmental direction or request that the **Company**, the **insured** or any other person or organization test for, monitor, clean-up, remove, contain, treat, detoxify, neutralize or assess the effects of **pollutants**; or
3. To **ultimate net loss**, including but not limited to costs of investigation or attorneys' fees, incurred by a governmental unit or any other person or organization to test for, monitor, clean-up, remove, contain, treat, detoxify or neutralize **pollutants**.

As used in this exclusion, **pollutants** means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste material. - a. Water, whether recycled, reconditioned or reclaimed;
- b. Any discharge, dispersal, seepage, migration, release or escape directly or indirectly caused by fire, explosion, lightning, windstorm, vandalism or malicious mischief, flood, collision, or upset of a motor vehicle, railroad vehicle, mobile equipment, automatic sprinkler leakage or aircraft;

- e. The completed operations hazard; or
- f. Any discharge, dispersal, seepage, migration, release or escape of pollutants that meets all of the following conditions:
 - 1) It was sudden, accidental and neither expected nor intended by the **insured**. This condition would not serve to deny coverage for a specific incident where such discharge, dispersal, seepage, migration, release or escape of **pollutants** was a result of an attempt by the **insured** to mitigate or avoid a situation where substantial third-party **bodily injury, property damage or personal injury** could occur;
 - 2) It is neither directly nor indirectly causally related to a previous discharge, release or escape of **pollutant** that occurred at the same location within the past 12 months immediately preceding the beginning of the commencement.
 - 3) It commenced abruptly on a clearly identified, specific date during the term of this policy; It began and ended in its entirety within a period of time that did not exceed seventy-two consecutive hours;
 - 4) Its commencement became known to the **insured** within seven calendar days and was further reported to the person responsible for risk management at the **Named Insured** within a reasonable time frame;
 - 5) Its commencement was reported in writing to the **Company** within forty calendar days of becoming known to the person responsible for risk management at the **Named Insured**; and
 - 6) Reasonable effort was expended by the **insured** to terminate the situation as soon as conditions permitted;

Neither the **Company's** right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the **insured** or others, to determine or warrant that such property or operations are safe. The **Company** may examine the **insured's** books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this coverage.

In addition, the **Company** has the right to examine and audit your claims handling and reserving procedures, practices and records while this policy is in force and for three years after the final settlement of all claims. Also, you will provide us any reasonable claim information, which we may request.

J. INSURED'S DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, WRONGFUL ACT, CLAIM OR SUIT

1. In the event of an **occurrence**, offense, or a **wrongful act** reasonably likely to involve the **Company** or with respect to which the amount incurred has reached 50 percent or more of the **retained limit**, written notice containing particulars sufficient to identify the **insured** and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the **insured** to the **Company** as soon as practicable, after the **Named Insured** or any person authorized by the **Named Insured** to give or receive notice of a claim or **suit**, has knowledge of the **occurrence**, offense, or **wrongful act**.

2. If claim is made or **suit** is brought against the **insured** which appears reasonably likely to involve the **Company**, the **insured** shall forward to the **Company** every demand, notice, summons or other process received by him/her or his/her representative, immediately or within a reasonable amount of time after the **Named Insured** or any person authorized by the **Named Insured** to give notice of a claim or **suit** has knowledge of the claim or **suit**.

The **insured** must also give the **Company** written notice as soon as practicable for any **occurrence**, offense, **wrongful act**, claim or **suit** which the **insured** becomes aware of that includes the following:

1. Any claim reserved at the Total Incurred of 50% or greater of retained limit; inclusive of all expenses, suffixes and related claims.
2. In addition, the Claims Servicing Organization is also required to report the following losses regardless of reserve:
 - i. Any claim with an assigned a trial date in the next 30 days that has not been otherwise reported.
 - ii. Class action suits.
 - iii. Law enforcement actions alleging excessing use of force or wrongful conviction.
 - iv. Claims involving allegations of harassment, including but not limited to sexual, employment-based or third-party.
 - v. Sexual misconduct or molestation – including allegations of assault, misconduct, rape and related offenses.
 - vi. Fatalities.
 - vii. Spinal cord injuries resulting in any degree of paraplegia or quadriplegia.
 - viii. Nerve damage injuries resulting in paralysis or loss of sensation.
 - ix. Brain damage claims including; but not limited to, closed head injuries, permanent disorientation, behavior disorder, personality change, seizure, motor deficit or other cognitive disorders.
 - x. Burns – Third degree burns involving 10% of the body, or second degree burns involving 30% of the body.
 - xi. Amputation – complete or partial.
 - xii. Impairment of vision or hearing – 50% or greater.
 - xiii. Multiple injuries arising out of one occurrence, including but not limited to; massive internal injuries or multiple fractures involving more than one claimant.
3. The **insured** shall cooperate with the **Company** and upon its request, assist in making settlements, in the conduct of **suits** and in enforcing any right to contribution, subrogation or indemnity against any person or organization who may be liable to the **insured** because of liability with respect to which coverage is afforded under this policy, and the **insured** shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The **insured** shall not, except at its own costs, voluntarily make any payment, assume any obligation or incur any expense with respect to any claim or **suit** to which this insurance applies; however, in the event that the amount of **ultimate net loss** becomes certain either through trial court judgment, arbitration award, or agreement among the **insured**, the claimant and the **Company**, then the

insured may pay the amount of **ultimate net loss** to the claimant to effect settlement and, upon submission of due proof thereof, the **Company**, subject to its limit of liability, shall indemnify the **insured** for that part of such payment which is in excess of the **retained limit**, or shall, upon request of the **insured**, timely make such payment to the claimant on behalf of the **insured**.

4. The **Company**, at its option, shall have the right at its own expense to investigate any claim or **suit** and/or negotiate the settlement thereof, as it deems expedient, but the **Company** shall not commit the **insured** to any settlement without the **insured's** consent. Should the claimant or plaintiff, as the case might be, tender a bona-fide, good faith, settlement demand which when added to the incurred **defense costs** is in excess of the **retained limit**, the payment of which would result in the full and final disposition of said claim or **suit**, then if such settlement demand is acceptable to either the **insured**, or the **Company** (but not both), then with regard to that settlement demand:
 - (a) If such settlement demand is not acceptable to the **Company** and the **insured** tenders to the **Company** an amount equal to the **retained limit** less incurred **defense costs**, if any, the **Company** shall then pay on behalf of the **insured** all sums which the **insured** shall be legally obligated to pay as **damages**, including without limitation, the **retained limit**, plus future investigation, adjustment, appraisal, appeal, post judgment interest and **defense costs**. However, in no event shall the **Company's** agreement to pay on behalf of the **insured** exceed the limit of liability as stated in the Declarations in addition to such investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs**. Should the full and final disposition of the claim, including judgments, settlements, investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs** be less than the amount tendered by the **insured**, the unused portion of the tendered amount shall be returned to the **insured** by the **Company**.
 - (b) If such settlement demand is not acceptable to the **insured** and the **Company** tenders to the **insured** an amount equal to the difference between the **retained limit**, less incurred **defense costs**, and said settlement demand, or the applicable amount specified in the limits of liability section of the Declarations, whichever is less, then the **Company's** agreement to pay on behalf of the **insured** for the **ultimate net loss** hereunder shall be discharged and terminated and the **Company** shall have no further obligations with respect thereto.

K. NAMED INSURED

The **Named Insured** named in the Declarations is authorized to act on behalf of all **insureds** with respect to the giving and receiving of notice of cancellation and receiving any return premium that may become payable under this policy. The **Named Insured** named in the Declarations is responsible for the payment of all premiums but the other **insured's** jointly and severally agree to make such premium payments in full if the **Named Insured** fails to pay the amount due within thirty days after the **Company** gives a written demand for payment to the **Named Insured**.

L. OTHER COVERAGE

If other valid and collectible insurance or group coverage applies to a claim or **suit** that is also covered by this policy, this policy will apply excess of the other insurance, whether this other insurance is primary, excess, contingent, or issued on any other basis. This provision, however, will not apply if the other insurance is specifically written to be excess of this policy.

The **Company** acknowledges that the **insured** from time to time may purchase underlying insurance with limits of liability less than, equal to, or greater than the amount of the **retained limit** for certain operations, events or hazards for which this policy affords excess coverage.

It is agreed that this policy (subject to its declarations, schedule, terms, conditions, exclusions, and endorsements that complete this policy) shall provide insurance in excess of such underlying insurance subject to the following condition:

If the limits of liability of the underlying policy are less than the **retained limit**, the **insured** shall bear the risk of the difference; however, if such limits are greater than the **retained limit**, this policy is in excess of the greater limit.

M. SEVERABILITY OF INTERESTS

The term **insured** is used severally and not collectively, but the inclusion herein of more than one **insured** shall not operate to increase the limits of the **Company's** liability.

N. SUBROGATION

The **Company** shall be subrogated to the extent of any payment hereunder to all the **insured's** rights of recovery therefore; and the **insured** shall do nothing after loss to prejudice such rights and shall do everything necessary to secure such rights. Any amount so recovered shall be apportioned as follows:

Any person or entity (including the **insured**) having paid an amount in excess of the **retained limit** plus the limit of liability hereunder shall be reimbursed first to the extent of actual payment. The **Company** shall be reimbursed next to the extent of its actual payment hereunder. If any balance then remains unpaid, it shall be applied to reimburse the **insured**. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries. If there is no recovery in proceedings conducted solely by the **Company**, it shall bear the expenses thereof.
