## LONDON SHORT EXCESS FORM 01-08 (OCC)

### INSURING AGREEMENTS:

#### 1. COVERAGE -

The Company (as stated in Item 8 of the Declarations) hereby agrees, subject to the limitations, terms and conditions contained herein, to pay all sums which the Insured shall be obligated to pay by reason of the liability arising out of the hazards covered by and as more fully defined in the Lead Underlying Policy (as stated in Item 2. a) of the Declarations and hereinafter referred to as "Lead Underlying Policy"); provided always however, that this Policy shall not apply until the Underlying Insurers (as stated in Items 2.c) and 2.d) of the Declarations and hereinafter referred to as "Underlying Insurers") have paid or have been held liable to pay the full amount of their respective Limit(s) of Liability in accordance with Insuring Agreement 2.

The Company further agrees that this Policy will follow the same terms, definitions, exclusions and conditions (except as otherwise provided herein) as are, at inception hereof, contained in the Lead Underlying Policy.

Notwithstanding the foregoing, in the event that any of the following amendment(s) are subsequently made to the terms, definitions, exclusions and conditions of the Lead Underlying Policy in effect at inception hereof:

1. any change which is subject to an additional premium charge,
2. the inclusion of an additional coverage extension endorsement,
3. any change to the insuring agreements, definitions and exclusions which is intended to broaden the scope of the coverage already provided, other than Insureds or Named Insureds added without an additional premium charge,

then such amendment(s) shall not be binding upon the Company unless otherwise agreed in writing by the Company.

#### 2. LIMIT OF LIABILITY -

The Company shall be liable only to pay sums up to:

As stated in Item 3.a) of the Declarations in respect of each Occurrence – subject to a limit of

As stated in Item 3.b) of the Declarations in the aggregate where applicable

but liability shall attach to the Company only after the Underlying Insurers have paid or have been held liable to pay the full amount of their respective Limit(s) of Liability as follows:

As stated in Item 4.a) of the Declarations in respect of each Occurrence - subject to a limit of

USD (as stated in Item 4.b) of the Declarations) in the aggregate where applicable

which in turn is excess of various insurances and/or retentions as more fully set forth in the Lead Underlying Policy.

**CONDITIONS:****1. MAINTENANCE OF UNDERLYING INSURANCE -**

It is a condition of this Policy that the Underlying Policy/ies (as stated in Items 2.a) and 2.b) of the Declarations and hereinafter referred to as "Underlying Policy/ies") shall be maintained in full force and effect, except for any reduction of the aggregate limits contained therein solely by payment of any loss(es). In the event of the Insured's failure to maintain the Underlying Policy/ies in full force and effect and except with respect to the aforementioned aggregate reduction, coverage hereunder shall not be invalid, but shall apply to the same extent that it would have applied had there been compliance with this condition.

In the event any Underlying Policy stated in Item 2.b) of the Declarations excludes loss(es) which are covered by the Lead Underlying Policy and subsequently covered hereunder in accordance with the provisions of Insuring Agreement 1 - Coverage, the Company shall not drop down to apply in place of such excluded coverage.

**2. ASSISTANCE AND CO-OPERATION -**

The Company shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Insured however the Company shall have the right and shall be given the opportunity to associate with the Insured or the Insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an Occurrence where the claim or suit involves, or appears reasonably likely to involve the Company, in which event the Insured and the Company shall co-operate in all things in the defense of such claim, suit or proceeding.

**3. CANCELLATION -**

The Named Insured or the Company hereon shall have the right to cancel this Policy in accordance with the cancellation provisions of the Lead Underlying Policy, and the Company shall retain the earned premium hereon, subject to any Minimum Earned Premium stated in Item 7 of the Declarations. Such notice shall be sent to the Company via the entity stated in Item 6.b) of the Declarations.

**4. OTHER INSURANCE -**

If other valid and collectible insurance is available to the Insured covering a loss also covered by this Policy, other than a Policy that is specifically written to apply in excess of this Policy, the insurance afforded by this Policy shall apply in excess of and shall not contribute with such other insurance.

**5. NOTICE OF OCCURRENCE -**

Whenever the Insured has information from which they may reasonably conclude that an Occurrence covered hereunder involves injuries or damages which, in the event that the Insured should be held liable, is likely to involve this Policy, notice shall be sent to the Company via the entity stated in Item 6.a) of the Declarations as soon as practicable, provided, however, that failure to give notice of any Occurrence which at the time of its happening did not appear to involve this Policy, but which, at a later date would appear to give rise to claims hereunder, shall not prejudice such claims.

The (Re)Insured undertakes that premium will be paid in full to Underwriters within 60 days of inception of this policy (or, in respect of instalment premiums, when due).

If the premium due under this policy has not been so paid to Underwriters by the 60<sup>th</sup> day from the inception of this policy (and, in respect of instalment premiums, by the date they are due) Underwriters shall have the right to cancel this policy by notifying the (Re)Insured via the broker in writing. In the event of cancellation, premium is due to Underwriters on a pro rata basis for the period that Underwriters are on risk but the full policy premium shall be payable to Underwriters in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this policy.

It is agreed that Underwriters shall give not less than 15 days prior notice of cancellation to the (Re)Insured via the broker. If premium due is paid in full to Underwriters before the notice period expires, notice of cancellation shall automatically be revoked. If not, the policy shall automatically terminate at the end of the notice period.

Unless otherwise agreed, the Leading Underwriter (and Agreement Parties if appropriate) are authorised to exercise rights under this clause on their own behalf and on behalf of all Underwriters participating in this contract.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

Where the premium is to be paid through a London Market Bureau, payment to Underwriters will be deemed to occur on the day of delivery of a premium advice note to the Bureau.

Best Co. drops below A -, and/or the Insurer has experienced a Change of Control.\*

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.

9. Employment Practices Liability Coverage
10. Failure to Supply Coverage

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.

**ENDORSEMENT NUMBER 7****SANCTION LIMITATION AND EXCLUSION CLAUSE**

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

**LMA3100**

**ENDORSEMENT NUMBER 8****CHOICE OF LAW ENDORSEMENT**

It is hereby understood and agreed that this Policy and any dispute, controversy or claim arising out of or relating to this Policy, shall be governed by and construed in accordance with the substantive internal law (i.e., excluding procedural and choice-of-law rules) of the State of New York, except insofar as such law (1) may prohibit payment in respect of punitive damages hereunder; (2) pertain to regulation under New York Insurance Law, or regulations issued by the Insurance Department of the State of New York pursuant thereto, applying to insurers doing insurance business, or issuance, delivery or procurement of policies of insurance, within the State of New York or as respect risks or insured entities situated in the State of New York; or (3) are inconsistent with any provision of this Policy; provided, however, that the provisions, stipulations, exclusions and conditions of this Policy are to be construed in an even handed fashion as between the Insured and the Company; where the language of this Policy is deemed to be ambiguous or otherwise unclear, the issue shall be resolved in the manner most consistent with the relevant provisions, stipulations, exclusions and conditions (without regard to authorship of the language, without any presumption or arbitrary interpretation or construction in favour of either the Insured or the Company or reference to the "reasonable expectations" of either thereof or to contra proferentum and without reference to parol or other extrinsic evidence). Insofar as the substantive internal law of New York is inapplicable as provided herein or otherwise, and as respects arbitration procedure, the internal laws of England and Wales apply.

All other terms and conditions of this Policy remain unchanged.

**ENDORSEMENT NUMBER 9****ARBITRATION ENDORSEMENT**

It is hereby understood and agreed that any dispute, controversy or claim arising out of or relating to this Policy or to the breach, cancellation, termination or validity of this Policy shall be finally and fully determined in London, England under the provisions of the Arbitration Act of 1996 ("Act") and/or any statutory modifications or amendments thereto, for the time being in force, by a Board composed of three arbitrators to be selected for each controversy as follows:

Any party may, in the event of such a dispute, controversy or claim, notify the other party or parties to such dispute, controversy or claim of its desire to arbitrate the matter, and at the time of such notification the party desiring arbitration shall notify any other party or parties of the name of the arbitrator selected by it. The other party or parties who has been so notified shall within thirty (30) calendar days thereafter select an arbitrator and notify the party desiring arbitration of the name of such second arbitrator. If the party or parties notified of a desire for arbitration shall fail or refuse to nominate the second arbitrator within thirty (30) calendar days following the receipt of such notification, the party who first served notice of a desire to arbitrate will, within an additional period of thirty (30) calendar days, apply to a judge of the High Court of Justice of England and Wales for the appointment of a second arbitrator and in such a case the arbitrator appointed by such a judge shall be deemed to have been nominated by the party or parties who failed to select the second arbitrator. The two arbitrators, chosen as above provided, shall within thirty (30) calendar days after the appointment of the second arbitrator choose a third arbitrator. In the event of the failure of the first two arbitrators to agree on a third arbitrator within said thirty (30) calendar day period, either of the parties may within a period of thirty (30) calendar days thereafter, after notice to the other party or parties, apply to a judge of the High Court of Justice of England and Wales for the appointment of a third arbitrator and in such case the person so appointed shall be deemed and shall act as the third arbitrator. Upon acceptance of the appointment by said third arbitrator, the Board of Arbitration for the controversy in question shall be deemed fixed.

The Board of Arbitration shall fix, by a notice in writing to the parties, a reasonable time and place for the hearing and may prescribe reasonable rules and regulations governing the course and conduct of the arbitration proceedings, including discovery by the parties.

The Board shall, within ninety (90) calendar days following the conclusion of the hearing, render its written decision on the matter or matters in controversy in writing and shall cause a copy thereof to be served on all the parties thereto. In case the Board fails to reach a unanimous decision, the decision of the majority of the members of the Board shall be deemed to be the decision of the Board, and the same shall be final and binding on the parties thereto. Such decision shall be a complete defense to any attempted appeal or litigation of such decision in the absence of serious irregularity. Without limiting the foregoing, the parties waive any right to appeal to, and/or seek collateral review of the decision of the Board of Arbitration by, any court or other body to the fullest extent permitted by applicable law, including, without limitation, application or appeal under Sections 45 and 69 of the Act.

Any order as to the costs of the arbitration shall be in the sole discretion of the Board, who may direct to whom and by whom and in what manner they shall be paid.

The parties agree that, in the event that claims for indemnity or contribution are asserted in any action or proceeding against the Company by any of the Insured's other insurers in any jurisdiction or forum other than that set forth in this arbitration provision, the Insured will in good faith take all reasonable steps requested by the Company to assist the Company in obtaining a dismissal of these claims (other than on the merits) and will undertake to the court or other tribunal to reduce any judgment or award against such other insurers to the extent that the court or tribunal determines that the Company would have been liable to such insurers for indemnity or contribution pursuant to this Policy. The Insured shall be entitled to assert claims against the Company for coverage under this Policy, including, without limitation, for amounts by which the Insured reduced its judgment against such other insurers in respect of such claims for indemnity or contribution, in an arbitration between the Company and the Insured pursuant to this arbitration provision, which arbitration may take place before, concurrently with and/or after the action or proceeding involving such other insurers; provided, however, that the Company in such arbitration in respect of such reduction of any judgment shall be entitled to raise any defenses under this Policy and any other defenses (other than jurisdictional defenses) as it would have been entitled to raise in the action or proceeding with such insurers (and no determination in any such action or proceeding involving such other insurers shall have collateral estoppel, res judicata or other issue preclusion or estoppel effect against the Company in such arbitration, irrespective of whether or not the Company remained a party to such action or proceeding).

All other terms and conditions of this Policy remain unchanged.

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

**Proportion of liability**

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

**Order Hereon:** 100% of 50%**Basis of Written Lines:** Percentage of Order

**Signing Provisions:**

In the event that the written lines hereon exceed 100% of the order, any lines written "to stand" will be allocated in full and all other lines will be signed down in equal proportions so that the aggregate signed lines are equal to 100% of the order without further agreement of any of the (re)insurers.

However:

- a) in the event that the placement of the order is not completed by the commencement date of the period of insurance then all lines written by that date will be signed in full;
- b) the signed lines resulting from the application of the above provisions can be varied, before or after the commencement date of the period of insurance, by the documented agreement of the (re)insured and all (re)insurers whose lines are to be varied. The variation to the contracts will take effect only when all such (re)insurers have agreed, with the resulting variation in signed lines commencing from the date set out in that agreement.

**Written Lines:**

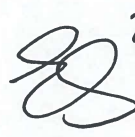

In a co-insurance placement, following (re)insurers may, but are not obliged to, follow the premium charged by the lead (re)insurer.

(Re)insurers may not seek to guarantee for themselves terms as favourable as those which others subsequently achieve during the placement.
