Following Form Excess Liability Policy

Various provisions of this policy restrict coverage. Read the entire policy carefully to determine your rights, duties and what is and is not covered.

Throughout the policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the company providing this insurance. Other words and phrases that appear in quotations in this policy have the meanings given them in SECTION V – DEFINITIONS of this policy. Words and phrases defined in "underlying insurance" have the meanings given them in that policy.

SECTION I – COVERAGE

1. Insuring Agreement
 - a. We will pay those sums the insured becomes legally obligated to pay as damages for "loss" to which this insurance applies. This insurance only applies to:
 1. "loss" to which the "controlling underlying insurance" applies, or would apply but for the exhaustion of an Aggregate Limit; and
 2. Damages that exceed the "underlying limits" paid by "underlying insurance" with our consent;
 - b. This insurance is subject to the provisions of the "controlling underlying insurance" in effect at the beginning of this policy period unless a conflicting provision is contained in, or endorsed to, this policy;
 - c. We have the right but not the duty to associate with the insured or any other insurer in the investigation of claims or defense of suits to which this insurance could be reasonably expected to apply. We will have the duty to investigate such claims or defend such suits only if the "controlling underlying insurance's" expressed duty to investigate or defend ends because it has paid the full limit of insurance in judgments or settlement of claims. We have the right, at our discretion, to settle any claim to which this insurance applies. Expenses we incur to investigate any claim or defend any suit will be paid in addition to the Limits of Insurance except when such costs reduce the limits of any "underlying insurance," in which case they will reduce our Limits of Insurance;
 - d. The amount we pay is limited. See SECTION III – LIMITS OF INSURANCE.
2. Exclusions

This insurance does not apply to any liability for "loss:"

 - a. arising out of the actual, alleged, suspected or threatened inhalation of, ingestion of, contact with, exposure to, existence of, or presence of "asbestos;"

SECTION II – WHO IS AN INSURED

Any person or organization that is an insured in "controlling underlying insurance" is an insured in this insurance to the same extent.

SECTION III – LIMITS OF INSURANCE

The Limits of Insurance shown in item 3 of the Declarations and the rules below fix the most we will pay regardless of the number of insureds, claims made or suits brought, or persons or organizations making claims or bringing suits.

1. The General Aggregate Limit is the most we will pay for all damages under this policy, except damages because of bodily injury or property damage included with the Products-Completed Operations Aggregate if applicable. The General Aggregate Limit will apply to the same Coverages and in the same manner as Aggregate Limits apply to the “controlling underlying insurance;”
2. The Product-Completed Operations Aggregate Limit is the most we will pay for all damages because of bodily injury or property damage included within any applicable products-completed operations hazard;
3. Subject to paragraphs 1. and 2. above, the Each Event Limit is the most we will pay for all damages arising out of any one “event.”

SECTION IV – CONDITIONS

Conditions applicable to the “controlling underlying insurance” apply to this insurance unless contrary to the following:

1. Appeals
We may appeal any judgment which could result in a payment under this policy. We will pay all costs associated with such appeal in addition to our Limits of Insurance. Any such appeal will not increase our Limits of Insurance.
2. Duties When There is a Claim or Suit
You must see to it that we are notified as soon as practicable of any claim reported to the “controlling underlying insurance.” Notice may be sent to our address shown in the Declarations.
3. Legal Action Against Us
No person or organization has a right under this insurance:
 - a. to join us as a party or otherwise bring us into a suit asking for damages from an insured; or
 - b. to sue us on this insurance unless all of its terms have been fully complied with.
4. Maintenance of Underlying Insurance
During this policy period you will maintain “underlying insurance” with the same coverage and limits that were in effect at the beginning of this policy period. If changes are made to the “underlying insurance” that increase our exposure under this policy, you must notify us of such changes. We have the right to decline to follow such changes or make an additional premium charge.
If you fail to comply with any part of this Condition we will only be liable to the extent to which we would have been liable had you complied.
Reduction of “underlying limits” by the payment of judgments or settlements because of “loss,” during this policy period and to which this insurance applies, or would apply but for the amount of the damages, will not be considered a failure to maintain “underlying insurance.”
5. Other Insurance
This insurance is excess over any valid and collectable insurance available to the insured except insurance purchased specifically to apply in excess of this policy. Nothing in this

condition will reduce the amount of “underlying limits.”

6. Payment of Damages

When the amount of damages payable under this policy has been determined by final judgment or a written settlement agreement to which we agree, we will pay that amount, up to our applicable Limits of Insurance, after the insured or the “controlling underlying insurance” has paid, or agreed to pay, the full amount of the “underlying limits.”

7. Cancellation

We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation, at least 10 days before the effective date of cancellation for non-payment of premium, or 30 days before the effective date of cancellation for any other reason. If we cancel, return premium, if any, will be calculated on a pro rate basis, subject to any Minimum Earned Premium shown in the Declarations.

You may cancel this policy at any time after returning it to us or the Producer shown in the Declarations. If you cancel, return premium, if any, will be calculated on a short rate basis, subject to any Minimum Earned Premium shown in the Declarations.

8. Non-Renewal

We may non-renew this policy by mailing or delivering to the first Named Insured written notice of Non-Renewal at least 30 days before the expiration date.

9. Premium

The Premium shown in item 6.a. of the Declarations is the premium for the Coverage we provide. The Premium shown in item 6.b. of the Declarations is the minimum amount that we will retain in the event the policy is cancelled at any time for any reason.

The first Named Insured is responsible for the payment of premium when due under this policy and will be the recipient of all return premiums, if any.

10. Representations

By accepting this policy you agree:

- a. the statements in the applications for this policy and the “underlying insurance,” and the Declarations are accurate and complete;
- b. we have issued this policy in reliance upon those statements; and
- c. misrepresentation of, or concealment of, material information will void coverage under this policy.

SECTION V – DEFINITIONS

Words and phrases defined by the “controlling underlying insurance” have the same meanings in this policy, except for the following:

1. “Asbestos” means the mineral in any form.
2. “Controlling underlying insurance” means the policy listed in item 4 of the Declarations, or its renewal or replacement.
3. “Event” means an accident, incident, occurrence, offense, wrongful act or other “loss” causing event defined by and to which the “controlling underlying insurance” applies.
4. “Loss” means bodily injury, property damage, personal and advertising injury or other loss defined by and to which the “underlying insurance” applies.

5. "Underlying insurance" means the "controlling underlying insurance" and its underlying insurance policies, if any, including their renewals or replacements.
6. "Underlying limits" means the amount shown in item 5 of the Declarations. This is the minimum amount which must be paid by "underlying insurance" before we pay anything.

In Witness whereof, the issuing Company has caused this policy to be signed below and countersigned by a duly authorized representative of such Company.
