

**MONTEREY BAY AREA SELF INSURANCE AUTHORITY (MBASIA)  
LIABILITY PROGRAM  
MEMORANDUM OF COVERAGE**

This Memorandum of Coverage (MOC) sets forth the terms, conditions, and limitations of coverage provided under the Pooled Liability Program. The terms of this MOC may not be changed or waived except by amendment made a part of this MOC.

Throughout this MOC, words and phrases that appear in **bold** have special meaning. They are defined in Section II, “Definitions” or in the Master Program Document.

In consideration of the payment of the deposit premium, the **Authority** agrees with the **covered parties** as follows:

**SECTION I - COVERAGE**

The **Authority** will pay up to the **limit of coverage** those sums on behalf of the **covered parties** for the **ultimate net loss**, less the **retained limit**, that the **covered parties** become legally obligated to pay as **damages** because of **bodily injury, property damage and personal injury**, as those terms are defined, caused by an **occurrence** during the coverage period **and public officials errors and omissions, and employment practices liability**, as those terms are herein defined and to which this MOC applies, caused by a wrongful act during the coverage period, except as otherwise excluded.

This MOC does not provide insurance, but instead provides for pooled risk sharing. This MOC is a negotiated agreement amongst the members of the **Authority** and none of the parties to the MOC are entitled to rely on any contract interpretation principles which require interpretation of ambiguous language against the drafter of such agreement. This MOC shall be applied according to the principles of contract law, giving full effect to the intent of the members of the **Authority**, acting through the **Board** in adopting this MOC. As the **Authority** is not an insurer, it has no obligation to issue reservation of rights letters, nor does it have an obligation to provide “Cumis” counsel to a **covered party** in disputed coverage situations under Civil Code §2860. Finally, failure to provide such notice to a **covered party** of any coverage dispute shall not operate to waive any of the provisions of this MOC.

**SECTION II - DEFINITIONS**

1. **Aircraft** means a vehicle designed for the transport of persons or property principally in the air. Aircraft does not mean **Unmanned Aerial Vehicle (UAV)**.
2. **Authority** means the Monterey Bay Area Self Insurance **Authority**.
3. **Automobile** means a land motor vehicle, trailer, or semi-trailer.
4. **Bodily injury** means **bodily injury**, sickness, disease, or emotional distress sustained by a person, including death resulting from any of these at any time. **Bodily injury** includes

**damages** claimed by any person or organization for care, loss of services, or death resulting at any time from the **bodily injury**.

5. **Covered Indemnity Contract** means that part of any contract or agreement pertaining to the **covered party's** routine governmental operations under which the **covered party** assumes the tort liability of another party to pay for **bodily injury** or **property damage** to a third person or organization. This definition applies only to tort liability arising out of an **occurrence** to which this MOC applies. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.
6. **Covered party** means:
  - (a) The **Member**, including any and all councils, commissions, agencies, districts, authorities, boards, including the governing board or similar entities coming under such **Member's** direction or control or for which such **Member's** board members sit as the governing body. **Covered party** includes departments and constituent agencies of the **Member**, except an airport or hospital board or commission, regardless of how such body is denominated.
  - (b) Persons who are past or present elected or appointed officials, employees, or volunteers of the **covered party**, whether or not compensated, while acting for or on behalf of the **covered party**, including while acting on outside boards at the direction of the **covered party**, except any airport or hospital board or commission, regardless of how such body is denominated, or any other joint powers **Authority**, or any separate agency or entity, created by a joint powers agreement.
  - (c) Any person or entity identified as a **covered party**, holding a certificate of coverage duly issued by the **Authority**, for **occurrences** during the coverage period identified in the certificate of coverage; if a particular activity is identified in the certificate of coverage, the person or entity is a **covered party** only for **occurrences** arising out of the described activity.

- (f) Notwithstanding sections (b) and (f) above, the defense and indemnity coverage afforded by this MOC to a past or present official, employee, or volunteer of a **Member** (including a **Member** of a member joint powers **Authority**) is not broader than the **Member's** duty to defend and indemnify its official, employee, or volunteer pursuant to California Government Code Section §815, 815.3, 825 to 825.6, 995 to 996.6, inclusive, and any amendments thereof. If the **Member** which employs the official, employee, or volunteer is not obligated under the California Government Code to provide a defense, or to provide indemnity for a claim, or if said **Member** refuses to provide such defense and/or indemnity to said official, employee, or volunteer, then this MOC shall not provide any such defense or indemnity coverage to said official, employee, or volunteer. All immunities, defenses, rights and privileges afforded to a **Member** under California Government Code Section §815, 815.3, 825 to 825.6, 995 to 996.6, inclusive, and any amendments thereof, shall be afforded to the **Authority** to bar any defense or indemnity coverage under this MOC to that **Member's** official, employee, or volunteer.

8. **Dam** means any artificial barrier, together with appurtenant works, which does or may impound or divert water, and which either (a) is 25 feet or more in height from the natural bed of the stream or watercourse at the downstream toe of the barrier, or from the lowest elevation of the outside limit of the barrier, if it is not across a stream, channel, or watercourse, to the maximum possible water storage elevation; or (b) has an impounding capacity of 50 acre-feet or more.

Any such barrier which is not in excess of 6 feet in height, regardless of storage capacity, or which has a storage capacity not in excess of 15 acre-feet, regardless of height, shall not be considered a **dam**.

10. **Defense costs** means all fees and expenses incurred by any **covered party** caused by and relating to the defense or litigation of a claim including attorney's fees, litigation costs, court costs, and interest on judgments accruing after entry of judgment. **Defense costs** shall also include reasonable attorney fees and necessary litigation expenses incurred by or for a party other than the **covered party**, which are assumed by the **covered party** in a **covered indemnity contract** where such attorney fees or costs are attributable to a claim for **damages** covered by this MOC. **Defense costs** shall not include the office expenses of the **Authority** or the **covered party**, the salaries of employees, contract or elected city attorneys for the **covered party**, or officials of the **Authority** or any **covered party**, or attorney fees or costs awarded to a prevailing plaintiff against the **covered party**, but shall include fees and expenses relating to coverage issues or disputes which arise after a written denial of coverage, between any **Member** and the **Authority**, if the **Member** prevails in such dispute.

In the event that a structured settlement, whether purchased from or through a third-party, or paid directly by the **covered party** in installments, is utilized in the resolution of a claim or suit, the **Authority** will pay only up to the amount stated in the Declarations or certificate of coverage, in present value of the claim as determined on the date of settlement, regardless of whether the full value of the settlement exceeds the amount stated in the Declarations or certificate of coverage.
13. **Medical malpractice** means the rendering of or failure to render, during the policy period, any of the following services:

- (a) Medical, surgical, dental, psychiatric, psychological counseling, X-ray or nursing service or treatment or the furnishing of food or beverages in connection therewith, or any services provided by a health care provider as defined in Section §6146 (c), (2) (3) of the California Business and Professions Code.

All claims involving the same misstatement or misleading statement or act or omission or a series of continuous or repeated misstatements or misleading statements or acts or omissions will be considered as arising out of one **occurrence**.
22. **Retained limit** means the amount stated on the applicable Declarations or certificate of coverage, which will be paid by the **covered party** before the **Authority** is obligated to make any payment from the pooled funds. **Retained limit** includes all **defense costs**. **Retained limit** shall be subject to the following:

If the **covered parties** have different **retained limits**, the lowest **retained limit** of any party found liable will apply. Payment of the **retained limit** shall be apportioned amongst the **covered parties** in accordance with their proportionate shares of liability.
  - (b) If the payment is for a settlement, the **retained limit** shall be apportioned amongst the **covered parties**, in accordance with the respective parties' agreed upon or court-determined share of liability. However, **ultimate net loss** does not include defense expenses incurred by the **Authority** after the **Authority** assumes control of the negotiation, investigation, defense, appeal or settlement of any claim or proceeding. **Ultimate net loss** also does not include attorneys' fees or costs awarded to the prevailing party in a suit except where such attorney's fees or costs are attributable to a claim for compensatory damages covered by this Memorandum.

### **SECTION III - DEFENSE AND SETTLEMENT**

The **Authority** shall have no duty to assume charge of investigation or defense of any claim. However, the **Authority**, at its own expense, shall have the right to assume control of the negotiation, investigation, defense, appeal, or settlement of any claim, which the **Authority** determines, in its sole discretion, to have a reasonable probability of resulting in an **ultimate net loss** in excess of the **covered party's retained limit**. No claim shall be settled for an amount in excess of the **covered party's retained limit** without the prior written consent of the **Authority** or its designated representative.

If the **Authority** assumes control of the handling of a claim, the **covered party** shall be obligated to pay at the direction of the **Authority** any sum necessary for the settlement of the claim, or to satisfy liability imposed by law, up to its applicable **retained limit**.

The **covered party** shall fully cooperate in all matters pertaining to the investigation, settlement, or adjudication of such claim. The **Authority** shall not be obligated to pay any award, judgment, or settlement in excess of the **limit of coverage** afforded to the **covered party**.

Regardless of the number of (1) persons or entities covered under this MOC, (2) persons or organizations making claims or bringing suits, or (3) claims made or suits brought, the **limit of coverage** stated on the Declarations, less the **retained limit**, or any sub-limit contained in this MOC, is the most the **Authority** will pay for an **ultimate net loss** arising out of any one **occurrence**. In the event that a structured settlement, whether purchased from or through a third party or paid directly by the **covered party** in installments, is utilized in the resolution of a claim or suit, only the present value of the agreed-upon payments (the present value “cost” of the structured settlement) shall be considered in satisfaction of the **covered party's retained limit**. The **limit of coverage** for an additional **covered party**, including its officials, employees, and volunteers, shall be the limit stated in its additional **covered party** certificate, regardless of the limit which applies to the **Member**.

In the event that a structured settlement, whether purchased from or through a third-party, or paid directly by the **covered party** in installments, is utilized in the resolution of a claim or suit, the **Authority** will pay only up to the amount stated in the Declarations or certificate of coverage, in present value of the claim as determined on the date of settlement, regardless of whether the full value of the settlement exceeds the amount stated in the Declarations or certificate of coverage.

## SECTION VII - CONDITIONS

- 1. The **covered party's** duties in the event of **occurrence**, claim, or suit reasonably likely to involve the **Authority** are as follows. These provisions are conditions precedent to coverage afforded under this MOC. The **covered party's** failure to comply with any of these provisions shall void coverage herein.

- (a) The **covered party** shall notify the **Authority** within 30 days upon receipt of notice of a claim reasonably likely to exceed fifty percent of the **retained limit** or any **occurrence** involving:
- (i) One or more fatalities;
  - (ii) Loss of limb or amputation;
  - (iii) Loss of use of any sensory organ;
  - (iv) Spinal cord injuries (quadriplegia or paraplegia);
  - (v) Third degree burns involving 10% or more of the body;
  - (vi) Serious facial disfigurement;
  - (vii) Paralysis;
  - (viii) Closed head injuries;
  - (ix) Serious loss of use of any body functions;
  - (x) Long-term hospitalization; or
  - (xi) Title 42 U.S.C. §1983 claims or other claims involving civil rights violations.

Written notice containing particulars sufficient to identify the **covered party** and also reasonably obtainable information with respect to the time, place, and circumstances of the **occurrence**, and the names and addresses of the **covered party** and of available witnesses shall be given to the **Authority** or any of its agents as soon as possible after notice of the claim is given to the **Authority**, if such information is not available prior to giving notice to the **Authority**.

If, as a result of a **covered party**'s failure to provide **notice** of an **occurrence** within 30 days, the **Authority** or **covered party** are subjected to any late reporting penalties, fines or increased retentions from any excess coverage layer, the costs shall be the sole responsibility of the **covered party**, and the **Authority** shall have no obligation to pay said costs or to reimburse the **covered party**.

- (b) If claim is made or suit is brought against the **covered party**, the **covered party** shall be obligated to promptly forward to the **Authority's** designated claims adjustor every demand, notice, summons, or process received by it or its representative.
- (c) The **covered party** shall cooperate with the **Authority** and upon its request assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the **covered**

**party** because of **bodily injury, personal injury, property damage, public officials errors and omissions, or sudden and accidental pollution** with respect to which coverage is afforded under this MOC; and the **covered party** shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The **covered party** shall not, except at its own cost, voluntarily make any payment, assume any obligation, or incur any expense toward the settlement of any claim for which the **Authority** has accepted responsibility and has so notified the **covered party**.

- (d) Any payments made, or arrangements to make payments, or expenses incurred by the **covered party** in relation to the claim, prior to giving notice of the claim to the **Authority**, shall be the sole responsibility of the **covered party**, and the **Authority** shall have no obligation to pay said costs or to reimburse the **covered party** therefore.
- (e) As to any claim for which the **Authority** has accepted responsibility and has so notified the **covered party**, if the **covered party's** refusal to change its position prevents settlement of the claim for a reasonable amount, defined as the amount the **Authority** is willing to pay and the claimant is willing to accept, and increases the **covered party's** potential liability for **damages** and continued **defense costs**, the **covered party** shall pay or shall reimburse the **Authority** for those **defense costs** incurred after the claim could have been settled, and for any **damages** awarded or settlement agreed upon in excess of the amount for which the claim could have been previously settled.

## 2. Subrogation

The **Authority** shall be subrogated to the extent of any payment hereunder to all the **covered parties'** rights of recovery thereof and the **covered parties** shall do nothing after loss to prejudice such right and shall do everything necessary to secure such right. Any amounts so recovered shall be apportioned as follows:

- (a) The highest layer of coverage shall be reimbursed first and if there are sufficient recoveries then the next highest layer until all recoveries are used up.
- (b) The expenses of all such recovery proceedings shall be paid before any reimbursements are made. If there is no recovery in the proceedings conducted by the **Authority**, it shall bear the expenses thereof.

## 3. Bankruptcy or Insolvency

Bankruptcy or insolvency of the **covered party** shall not relieve the **Authority** of any of its obligations hereunder.

## 4. Other Coverage

If collectible insurance or any other coverage with any insurer, joint powers insurance **Authority**, or other source respectively is available to the **covered party** covering a loss also covered hereunder (whether on primary, excess or contingent basis), the coverage hereunder shall be in excess of, and shall not contribute with, such other insurance or coverage, provided that this clause does not apply with respect to insurance purchased or coverage obtained specifically to be in excess of this MOC. If the other collectible insurance or other coverage exceeds the **covered party's retained limit** and the loss is in excess of the amount of other collectible insurance or other coverage, the coverage provided hereunder will apply over the other collectible insurance or other coverage up to the limits of the **Authority's** liability.

This coverage shall be in excess of, and shall not contribute with, any insurance or coverage which names a **covered party** herein as an additional covered party or additional insured party, where coverage is extended to a loss also covered hereunder. In order for the coverage herein to apply, the **covered party** must pay the full amount of its **retained limit**. Payment of the **retained limit** by the **covered party** is required in addition to and regardless of any payments from any other source for or on behalf of that **covered party**, with the exception that commercial coverage purchased directly by a **covered party** for the sole purpose of insuring all or a portion of its **retained limit** may be utilized to pay all, or a portion of, a **covered party's retained limit**.

5. Severability of Interests

The term **covered party** and its sub-terms including entity, covered individual, and additional covered party are used severally and not collectively, but the inclusion herein of more than one **covered party** shall not operate to increase the limits of the **Authority's** liability or the **retained limit** applicable per **occurrence**.

6. Accumulation of Limits

A claim which contains allegations extending to a duration of more than one coverage period shall be treated as a single **occurrence** arising during the first coverage period when the **occurrence** begins.

7. Termination

This MOC may be terminated at any time in accordance with the Bylaws of the **Authority**.

8. Changes

Notice to any agent or knowledge possessed by any agent of the **Authority** or by any other person shall not effect a waiver or a change in any part of this MOC, nor shall the terms of this MOC be waived or changed except by endorsement issued to form a part of this MOC.

9. Arbitration

The Coverage and Claims Committee shall make the initial determination whether to deny coverage on all or part of a claim, or to reserve the **Authority's** right to deny coverage on all or part of a claim if a loss subsequently exceeds the retained limit.

A decision by the Coverage and Claims Committee to deny coverage can be appealed to the Board of Directors. Notice of such appeal shall be submitted in writing within thirty (30) calendar days of the date of the Coverage and Claims Committees written notice of decision.

Following receipt of the written appeal, the appeal will then be considered by the Board of Directors at the next regular or special meeting; if the appeal is received too late for inclusion in the agenda packet, it can be postponed to the next following Board meeting. The Coverage and Claims Committee and the **covered party** will have the right to submit written materials and present oral argument to the Board; subject to reasonable time constraints.

When the Board of Directors considers the appeal of a **covered party**, a majority vote is required for approval of a claim in which the **covered party** failed to give notice within three hundred and sixty five (365) days; for **notice** of a claim received after three hundred and sixty five (365) days, then a two- thirds (2/3) majority of the Board of Directors in attendance is required with the appealing **covered party** abstaining. Within sixty (60) days following any denial of coverage by the Board, the Member or **covered party** may request, in writing, that the **Authority** initiate a declaratory relief action in Superior Court for a determination of the coverage matter. The declaratory relief action shall be initiated in Santa Cruz County, California, unless the **Authority** and **covered party** agree on a different venue.

Any determination by the Executive Committee, and by the Board of Directors if the matter is appealed to the Board of Directors, whether a **covered party** has breached the Conditions concerning notice of a claim, and any determination whether the **Authority** has been prejudiced by that breach, so that this coverage does not apply, comes within the sole discretion of the Board of Directors. Such determinations shall be conclusive, final and binding and shall not be the subject of any further review, whether by declaratory relief action or otherwise.
