DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

SCHEDULE

Terrorism Premium (Certified Acts): \$9,751

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act as amended and reauthorized in 2007. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

The United States government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

THIS ENDORSEMENT CHANGES THE POLICY, PLEASE READ IT CAREFULLY.

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in US dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ; or
3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under this policy or "underlying insurance" to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined by this policy or "underlying insurance".
2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or
 - (2) Outside of the United States in the case of:
 - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
 - (b) The premises of any United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism". Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. In the event of an "other act of terrorism" that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Policy.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

E. Additional Definition applicable to this endorsement:

1. "Coverage territory" means anywhere in the world with the exception of any country or jurisdiction which is subject to trade or other economic sanctions or embargo by the United States of America.

This endorsement does not change any other provisions of the policy.
