EXCESS LIABILITY COVERAGE FORM

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured. The words "we," "us" and "our" refer to the Company providing this insurance. The word Insured means any person or organization qualifying as such in the "first underlying insurance." Other words and phrases that appear in quotation marks have special meaning and can be found in the **DEFINITIONS** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide the coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the Insured the amount of "loss" covered by this insurance in excess of the "Underlying Limits of Insurance" shown in Item 5. of the Declarations, subject to **INSURING AGREEMENT Section II., Limits of Insurance**. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the "first underlying insurance."

pay for all "loss" that is subject to an aggregate limit provided by the "first underlying insurance." The aggregate limit applies separately and in the same manner as the aggregate limits provided by the "first underlying insurance," provided that all "underlying insurance" applies their aggregate limit in the same manner as the "first underlying insurance."

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay under the terms of this insurance regardless of the number of:

1. Insureds;
2. claims made or suits brought;
3. persons or organizations making claims or bringing suits.

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the "Underlying Limits of Insurance" shown in Item 5. of the Declarations.
2. The aggregate limit shown in Item 4. of the Declarations is the most we will

3. Subject to **B.2.**, the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.

4. Subject to Paragraphs **B.2.** and **B.3.** above, if the "Underlying Limits of Insurance" described in Item 5. of the Declarations are either reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced underlying limit or, if all underlying limits are exhausted, will apply as "underlying insurance" subject to the same terms, conditions, definitions and exclusions of the "first underlying insurance," except for the terms, conditions, definitions and exclusions of this policy.

However, we will not pay that portion of a "loss" that is within the "Underlying Limits of Insurance" which the Insured has agreed to fund by self-insurance or means other than insurance.

5. The limits of this policy apply separately to each consecutive annual period, and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations unless the policy period is extended after issuance for an additional period of less than 12 months. In that case the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

III. DEFENSE

- A. We will not be required to assume charge of the investigation of any claim or defense of any suit against you.
- B. We will have the right, but not the duty, to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability on us for "loss." If we exercise such right, we will do so at our own expense, but not after the limits of this policy are exhausted.

IV. EXCLUSIONS

This policy does not apply to:

- A. Any liability, including, but not limited to settlements, judgments, costs, charges, expenses, costs of investigations, or the fees of attorneys, experts, or consultants arising out of or related in any way, either directly or indirectly, to:
 1. asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust, including, but not limited to, manufacture, mining, use, sale, installation, removal, or distribution activities;
 2. exposure to testing for, monitoring of, cleaning up, removing, containing or treating of asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust; or

3. any obligation to investigate, settle or defend, or indemnify any person against any claim or suit arising out of or related in any way, either directly or indirectly, to asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust.

- B. Any liability, including, but not limited to settlements, judgments, costs, charges, expenses, costs of investigations, or the fees of attorneys, experts, or consultants arising out of or in any way related to:

1. the actual, alleged or threatened presence, discharge, dispersal, seepage, migration, release or escape of "pollutants," however caused;
2. any request, demand, or order that any Insured or others test for, monitor, clean up, remove, contain, treat, detoxify, neutralize or in any way respond to or assess the effects of "pollutants." This includes demands, directives, complaints, suits, orders or requests brought by any governmental entity or by any person or group of persons;
3. steps taken or amounts incurred by a governmental unit or any other person or organization to test for, monitor, clean-up, remove, contain, treat, detoxify or neutralize or assess the effects of "pollutants."

This exclusion will apply to any liability, costs, charges or expenses, or any judgments or settlements, arising directly or indirectly out of pollution whether or not the pollution was sudden, accidental, gradual, intended, expected, unexpected, preventable or not preventable.

As used in this exclusion "pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including, but not limited to, smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste material. Waste material includes materials which are intended to be or have been recycled, reconditioned or reclaimed.

- C. Any liability excluded by the Nuclear Energy Liability Exclusion attached to this policy.

V. DEFINITIONS

- A. "First underlying insurance" means the policy or policies of insurance stated as such in Item 5. of the Declarations.
- B. "Loss" means those sums actually paid in the settlement or satisfaction of a claim which you are legally obligated to pay as damages after making proper deductions for all recoveries and salvage.
- C. "Underlying insurance" means "first underlying insurance" and all policies of insurance listed in Item 5. of the Declarations.
- D. "Underlying Limits of Insurance" means the total sum of the limits of all applicable "underlying insurance" stated in Item 5. of the Declarations, including self-insurance, or means other than insurance.

VI. CONDITIONS

A. Appeals

In the event you or any underlying insurer elects not to appeal a judgment in excess of the amount of the "Underlying Limits of Insurance," we may elect to appeal at our expense. If we do so elect, we will be liable for the costs and interest incidental to this appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II. of this policy.

B. Bankruptcy or Insolvency

The bankruptcy, insolvency or inability to pay of any Insured or the bankruptcy, insolvency or inability to pay of any of the underlying insurers will not relieve us from the payment of any claim or suit covered by this policy.

In the event of bankruptcy or insolvency of any underlying Insurer, the insurance afforded by this policy will not replace such "underlying insurance," but will apply as if the "underlying insurance" was available and collectible.

C. Changes

Notice to any agent or knowledge possessed by any agent or any other person will not effect a waiver or change in any part of this policy. This policy can only be

changed by a written endorsement that becomes a part of this policy and that is signed by one of our authorized representatives.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. If we cancel because of nonpayment of premium, we must mail or deliver to you not less than ten (10) days advance written notice stating when the cancellation is to take effect. If we cancel for any other reason, we must mail or deliver to you not less than thirty (30) days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1. of the Declarations will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. If we cancel, final premium will be calculated pro rata based on the time this policy was in force.
5. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short rate cancellation table and procedure.
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, will be sufficient tender of any refund due you.
7. The first Named Insured in Item 1. of the Declarations will act on behalf of all other Insureds with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this policy.

8. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. First Named Insured Duties

The person or organization first named in Item 1. of the Declarations is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for the giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

We will be furnished a complete copy of the "first underlying insurance" described in Item 5. of the Declarations and any subsequently issued endorsements which may in any way affect this insurance.

F. Legal Actions Against Us

There will be no right of action against us under this insurance unless:

1. you have complied with all the terms of this policy; and
2. the amount you owe has been determined by settlement with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a party in an action against you to determine your liability.

G. Maintenance of Underlying Insurance

During the period of this policy, you agree:

1. to keep the policies listed in Item 5. of the Declarations in full force and effect;
2. that the Limits of Insurance of the "underlying insurance" policies listed in Item 5. of the Declarations will be maintained except for any reduction or exhaustion of aggregate limits by payment of claims or suits for "losses" covered by "underlying insurance."

If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

H. Notice of Occurrence

1. You must see to it that we are notified as soon as practicable of an occurrence which may result in a claim or suit which may involve this policy. To the extent possible, notice will include:
 - a. how, when and where the occurrence took place;
 - b. the names and addresses of any injured persons and witnesses;
 - c. the nature and location of any injury or damage arising out of the occurrence.
2. If a claim or suit against any Insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.
3. You and any other involved Insured must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
 - b. authorize us to obtain records and other information;
 - c. cooperate with us in the investigation, settlement or defense of the claim or suit; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the Insured because of injury or damage to which this insurance may also apply.
4. If the "Underlying Limits of Insurance" are exhausted solely by payment of "loss," no Insured will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

I. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for funding of legal liabilities.

J. Premium

Unless otherwise provided, the premium for this policy is a flat premium and is not subject to adjustment except as provided herein or amended by endorsement. If any additional premium charge is made to the "underlying insurance" during the policy period or if there is an increase in the risk assumed by us, our premium may be adjusted accordingly.

K. Terms Conformed to Statute

The terms of this policy which are in conflict with the statutes of the state where this policy is issued are amended to conform to such statutes.

If we are prevented by law or statute from paying on behalf of the Insured, then we will, where permitted by law or statute, indemnify the Insured.

L. When "Loss" is Payable

Coverage under this policy will not apply unless and until the Insured or the Insured's "underlying insurance" is obligated to pay the full amount of the "Underlying Limits of Insurance."

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the Insured the amount of "loss" falling within the terms of this policy.
